

EL DORADO TRAIL *Blazin'* 2011 *For Good.*

In honor of the giving season, the Friends of the El Dorado Trail are proud to announce a new annual community outreach project, El Dorado Trail Blazin' for Good. As concerned members of the community, we understand the work that local charities play in our area and are eager to help them succeed in this difficult time. Each year, we will choose a local nonprofit organization to support during the holiday season and we encourage all of you to do the same! For 2011, our inaugural year, we are partnering with INALLIANCE, a nonprofit that supports people with developmental disabilities in communities across El Dorado, Sacramento and surrounding counties.

HOW TO HELP

1. Get out and enjoy the El Dorado Trail and surrounding areas throughout December.
2. Take some time to think about how fortunate we all are to live in this beautiful place.
3. Make your way over to INALLIANCE at 660 Main Street, Placerville, CA 95667 (right off the El Dorado trail in Placerville) and give a little something back- \$1 or \$100, every bit counts!
